Extra Information

Departures

- Exact duration of tours will depend on pick up location
- Pick ups occur up to 15mins before and 15mins after scheduled start time depending on location
- We can't pick up from every accommodation provider. Some guests will be required to walk a few minutes to a safe location for us to stop

Fitness

- Some film sites are located down steep, unsealed paths unsuitable for people with limited mobility- this includes walkers wheelchairs and mobility scooters
- Our buses do not have storage space to carry walkers, wheelchairs, mobility scooters, or large luggage

General Notes

- Infants under 3 years old travel free of charge but must be booked in. We also need to know if a car seat is required
- Tours run in any weather so please dress appropriately – closed toe shoes and a jacket are recommended
- Tours are only available in English
- Tour itinerary may happen in a different order due to availability etc

Weta

- All tours include a visit to the Weta Workshop and their behind-the-scenes tour. However, Weta has two tour spaces – Weta Workshop Experience and Weta Group Tour Experience – we generally visit the group tour space which is NOT located at the main building
- All access into the physical workshop is prohibited due to copyright and licensing laws
- No photography is permitted on any Weta tour due to copyright and licensing laws
- All tours will visit the Weta Cave retail shop
