Extra Information

Departures/ Pick Ups

- Exact duration of tours will depend on pick up location
- Pick ups may occur up to 15mins before and 15mins after scheduled start time depending on location
- We can't pick up from every accommodation provider. Some guests will be required to walk a few minutes to a safe location for us to stop

Accessibility

- This tour incorporates some off-road driving along bumpy, uneven tracks and steep ascents/descents on roads with no safety barriers.
- May not be suitable for people with serious vertigo or fear of heights
- Our vehicles do not have storage space to carry walkers, wheelchairs, mobility scooters, or large luggage

General Notes

- Tours are only available in English
- Tour itinerary may happen in a different order
- Tours run in almost any weather so please dress appropriately – closed toe shoes and a jacket are recommended.
- Tours will only be cancelled due to weather if safety is a concern
- Infants under 3 years old travel free of charge but must be booked in. We also need to know if a car seat is required

Seals

- As per our DOC permit, no touching, feeding, or disturbing the seals is allowed
- Seal numbers vary depending on time of year. Peak numbers are in June-August
- 99% guarantee of seeing seals
